Donations to Improve the Park Itself:

Goose Lake Prairie Partners are looking for a few new items to add to the visitors center as well as the park itself. If you or your organization is looking for a special project why not consider the following items:

- 1.) Choose a park trail and monitor it to keep it pristinely clean for our visitors.
- 2.) Volunteer to work the Visitor Center Desk during weekends to help keep the center open. Volunteers began February 1 serving in this capacity.
- 3.) Consider purchasing an item for the park. At the current time our “Want List” includes:
 - Caterpillars for the Butterfly barn.
(Seasonal.) \$50.00 EST. Order June 2010.
 - Resin Wall Ducks for the Lobby.
 - Vertical Display Case in the Museum.
 - Park Benches to strategically place around the park on various trails.
 - Bird eggs to add to our new exhibit.
Call for more detail.
 - Photo Blind Building (Approx. \$1000.00)
Immediate need. Visitors really miss the old one.
 - One dozen Bur Oak Trees to add to the picnic areas (Approx. \$1700) can only plant early spring or early fall.
 - Replace handrails on the Observation Deck at the Visitor’s Center.
